University Health Services is an on-campus, accredited healthcare facility that includes general medicine, women’s health, sports medicine, urgent care services, allergy/immunization clinics, nutrition services, physical therapy, a 24-hour Nurse Advice Line, radiology, lab services and a health promotion office. The department, founded in 1909, is supported by the Student Health Advisory Committee.

Recreational Sports promotes physical fitness, healthy habits and balanced behaviors through an array of recreation facilities, programs, services, special events and student employment opportunities. Programs offered include Intramural Sports, Fitness/Wellness, Outdoor Recreation, Civic Engagement, Sport Clubs, the Instructional Program and Informal Recreation. The department, founded in 1916, is supported by the Facilities Operations Council, Intramural Council, Recreational Sports Committee and Sport Club Council.

The University Unions provides a wide array of student services, leadership development opportunities, study and event spaces, and food venues. The department enhances the student experience through unique and multi-faceted facilities as well as a vibrant student organization. The department, founded in 1933, is supported by the University Unions Advisory Council.

The Counseling and Mental Health Center provides individual, group and crisis counseling, psychiatric consultations, and prevention services that facilitate students’ academic and life goals. The department, founded in 1940, is supported by the Counseling and Mental Health Center Student Advisory Committee.
Texas Parents serves all students’ families who need assistance navigating university resources. All parents and families of enrolled undergraduate students are members of the Texas Parents Association, the university’s official parents association. Membership provides benefits to support and promote student success from enrollment through graduation. The department, founded in 1948, is supported by the Texas Parents Ambassadors Council.

Housing and Food Service oversees 14 on-campus residence halls, university apartments, and 13 dining and retail venues. By engaging students in an inclusive community that fosters learning outside the classroom, the staff encourages student success and well-being. The department, founded in 1951, is supported by the Resident Assistant Association, University Apartments Tenant Advisory Board and University Residence Hall Association.

The Office of the Dean of Students engages beyond the classroom to enrich learning through leadership training and by supporting the membership of 1,300 student organizations. Office services for students also include legal, conduct, emergency, veteran, research and other support. The department was founded in 1968. The Legal Services for Students Student Advisory Board and Student Conduct Advisory Committee support those units.

New Student Services oversees orientation for thousands of incoming students each year, ensuring they successfully transition academically and socially to the university. Staff also lead programs throughout the year to promote student engagement and support academic success. The department, founded in 1968, is supported by the Deans’ Core Transfer Team, Orientation Logistics Committee and Orientation Strategic Planning Committee.

The Center for Students in Recovery provides a supportive community where students in recovery and in hope of recovery can achieve academic success while enjoying a genuine college experience free from alcohol and other drugs. The department, founded in 2004, is supported by The Center for Students in Recovery Council.
